

Welcome to C & M Builders, Inc.

C & M Builders, Inc. originated in 1965, was incorporated in Tennessee on February 12, 1969, and has grown to become a diverse construction company capable of handling any need.

C & M Builders, Inc. has achieved its growth by satisfying the needs of its customers and building a staff of dedicated and highly qualified personnel, some of whom have been with the company since it was established.

C & M Builders, Inc. strives for outstanding quality and service, while guaranteeing reasonable prices and complete satisfaction.

Our goal at C & M Builders is a satisfied customer. We strive to accomplish this by maintaining the highest level of quality construction, while completing the project on time and within the client's budget.

We hope you will review us through the information on this site and contact us for your next project.
